Getting Your Head Straight ...

1. The Mindset Pack.

To have the ultimate success with Finding Your fee with your clients you need to know how to play a strong mental game - I'll show you how to unpack and implement the 3 core secrets that will lead you to the business and lifestyle you desire.

1. Getting CLARITY on your next steps.
2. Building CONFIDENCE that YOU have the personal and practical resources to achieve your goals.
3. Maintaining MOTIVATION to keep going through the inevitable challenges of moving forward.

3 *Fine tuning ...*

4. Fine tuning

As we travel through the Find Your Fee program there will be time between teaching sessions to implement strategies and then fine tune, and I'll also make sure you finish the 100 Day course with not only more structure and systems in your business but also a powerful 1-page business plan to ensure you keep the momentum going with what you have learnt.

4 *Personal help ...*

2. Personal help

Your 100 Day Find your Fee program includes 2 mentoring and Q and A Sessions (one midway through the program and another near the end of the 100 days) Step right up and I will answer questions to help you directly with any challenges you are experiencing. Your success is my goal.

5 *What can I expect ...?*

3. Great Question ...!

Program length

- Approx 100 days long bootcamp comprising of 8 webinars spaced approx 2 weeks apart, each 60 – 90 mins long.
- Includes 2 x group mentoring sessions during the webinar series.
- 1-2-1 call with Andrew before we begin to make sure this program is 100% what you need at the moment.

Here's a little sneakpeak of what I'll unpack and show you how to apply to your business in the Find Your Fee webinar series;

Mindset:

- WHY it's important for your and your clients to have clarity on your coaching path and HOW to get crystal clear quickly
- The tools you need to build your personal confidence to achieve your goals.
- Maintaining motivation, energy and enthusiasm to keep going through the inevitable challenges of growing your coaching business

Client Results:

- Finding your fee in 6 different business industry types.
- How to position strategies with clients so they get excited and actually implement.
- Case studies - real clients, real results. Trades businesses, Cafes and restaurants, Printing companies, kKitchen manufacturers and many more ...
- How to focus on short, medium and long term strategies all at the same time.
- How to remind your clients about the results you have helped them achieve.
- How to set your clients up for referrals off the back of the results you will get.
